Hello,

We are reaching out to you because we have detected that borrows for your books are originating from systematically generated accounts. Systematic accounts are those that facilitate illegitimate reading or borrow activity . While we support the legitimate efforts of our publishers to promote their books, attempting to manipulate the Kindle platform and/or Kindle programs is not permitted. As a result of the irregular borrow activity, we have removed your books from the Amazon store and are terminating your account and your Agreement effective immediately.

As part of the termination process, we will close your KDP account and the related CreateSpace account (if any) and remove the books you have uploaded through our channels from sale on Amazon. We will issue a negative adjustment to any outstanding royalty payments.

Additionally, as per our Terms and Conditions, you are not permitted to open any new KDP and/or CreateSpace accounts.

If you have any questions, please email us at title-submission@amazon.com.

Best Regards,

Katy C.
